

LET'S GO TO CAMP!

GOLD MOUNTAIN ADVENTURE

MARCH 13TH-17TH

9AM - 2PM WITH EXTENDED DAY OPTIONS

Campers in grades K through 5th will go on a Gold Mountain Adventure as they imagine what life was like for the miners who joined in the southern gold rush of 1830. They will also learn about the Cherokee and other tribes whose land held this precious gold. Children will enjoy exploring our nature trails, playing active games and creating crafts based on the camp's theme. Each day campers will be supervised and led by our trained, CPR-certified staff. Typical teacher to camper ratio is 1 to 15, so your child receives individualized attention. With Burritt's famous combination of genuine fun, quality instruction, and active play, this is sure to be a spring break to remember!
