

2021 Nature Rangers Summer Camp at Burritt on the Mountain

Burritt camps are back to provide your child with a summer full of learning and laughter! These camps are open to children who are rising 1st-6th graders and are led by Burritt's CPR-certified staff. Our teacher to camper ratio of 1:12 ensures that your child receives individualized attention during these fun-filled days of crafts, games, hiking, nature exploration and more. Please be sure to register your child for the correct camp based on grade level. Each camp has a section for rising 1st, 2nd and 3rd graders that is designated as a "Junior Rangers" camp. The other section is for children who are rising 4th, 5th, and 6th graders and is a "Rangers" camp. Please note that Junior Rangers GeoQuest Explorers is offered on a different week from Rangers GeoQuest Explorers for older children. All other camps have both sections offered on the same week.

Camp days run from 9:00 am to 2:00 pm. Students should bring their own sack lunch, but Burritt will provide a snack each day. You may also choose to register for our extended day options with drop-off available as early as 7:30 a.m. and pick-up as late as 5:30 p.m. The cost for extended day is an additional \$10 each day for morning only, an additional \$20 each day for afternoon only, or \$30 each day for both morning and afternoon.

At Burritt on the Mountain we are following CDC guidelines for COVID-19 protocols. Children must bring a mask that fits properly to camp each day. We will be wearing masks when we are indoors and anytime that we do not think that we can ensure that social distancing can be maintained. The number of campers in each section has been reduced to ensure that we can follow spacing guidelines.

Junior Rangers: Rising 1st, 2nd, and 3rd grade

Rangers: Rising 4th, 5th, and 6th grade

Junior Rangers Roaring Safari Adventure

June 7-11

Let's go Wild and ROARRRR about Safari! Children will love learning about elephants, lions, cheetahs, giraffes, zebras, gorillas, hippos and more. Africa is a vast continent with many diverse habitats that support many unique animals. Each day will focus on two or three of these exciting animals where we will discover where they live, what they eat, and just how special they are. Enjoy fun games, colorful crafts, and a safari hike. You won't want to miss the fun!

Registration Deadline June 1 \$195 (\$165 for members)

Rangers GeoQuest Explorers

June 14-18

Do you like adventure and solving puzzles? Come have fun learning the skill of orienteering and how to use a compass. Then use your sleuthing savvy to solve clues as you experience our Letterboxing and Critter Quests. Using GPS technology, you will learn about our trail and historic park as you complete our Nature and History Quests. We will also learn how to geocache and locate several hidden geocaches at the museum and on the trail using our newfound knowledge of GPS technology. We will create our own hiking sticks to use for our hiking adventure exploring the newest trails at Burritt. This week promises lots of outdoor

activities, hiking, and fun!

Registration Deadline June 8 \$195 (\$165 for members)

Junior Rangers GeoQuest Explorers

June 21-25

Do you like adventure and solving puzzles? Come have fun as you use your sleuthing skills to solve clues to complete our Letterboxing and Critter Quests. Be introduced to GPS technology and our trails and historic park as you experience our Nature and History Quests and hunt for one of the geocaches hidden on our grounds. We will create our own hiking sticks to use for our hiking adventures exploring the nature trails at Burritt. Campers will also enjoy learning about exploration, maps and landmarks in addition to creating crafts and playing games with new found friends. This week is full of outdoor activities, hiking, and fun!

Registration Deadline June 15 \$195 (\$165 for members)

Junior Rangers Itsy Bitsy Critters

June 28-July 2

This camp is for any kid who is crazy about bugs! Discover weird and fascinating things you never knew about the insect world. Some bugs can be real pests, but other bugs can actually help make our lives and communities better. It's a bug's world at Burritt, and we'll explore that world through nature hikes, bug hunts and other fact-finding explorations. Come join us for a great adventure of bug-hunting, craft-making, and game-playing.

Registration Deadline June 22 \$195 (\$165 for members)

Junior Rangers Music Around the World

July 12-16

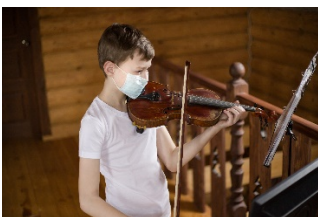

Burritt and HSO's Symphony School are excited to offer a tenth year of violin camp! This perennial favorite offers campers the opportunity to receive quality instruction on the violin from the Symphony School's experienced staff, plus the crafts, games, and active fun that Burritt does best. Students of all levels are welcome, and no experience is required. This year, campers will be exploring music from around the world. Family and friends will enjoy the campers' concert on Friday afternoon. Join us for a memorable week with music and fun that you won't find anywhere else!

Violin rental is available from HSO for \$15, please contact Sharon at sharon@hso.org for more information.

Registration deadline is July 6 \$225 (\$195 for members), plus \$15 weekly violin rental

Junior Rangers Taking Flight

July 19-23

Ever wonder what makes a bird a bird? Come have fun exploring the many different kinds of birds that live all around us. Raptors, songbirds, domesticated, nocturnal, and scavengers all have similarities and differences to adapt to the world around them. Learn how the whooping cranes of North America were rescued from the brink of extinction, which bird is most common throughout the world, and how owls hunt for their food. Campers come ready to learn as we hike, bird watch, play games, create crafts, and even get to meet some of our fine feathered friends with wildlife animal presenters and educators Tommy Howell and his *Bird Encounter Nature Program* and Falconry expert Carol Speegle.

Registration deadline: July 13 \$195 (\$165 for members)

Junior Rangers Earth Heroes

July 26-30

Join us for an exciting camp all about Planet Earth and how we can help keep it a healthy home for all who live here. We'll explore Earth's natural beauty, discover fun facts about how our world works, and learn how we can all be Earth's Heroes in our daily lives. Each day will also include the games, crafts, and age-appropriate activities that our campers love.

Registration Deadline July 20 \$195 (\$165 for members)
