MAKE OUR LEGACY YOUR OWN

OUR LEGACY IS YOUR LEGACY

What does Burritt on the Mountain mean to you and your family? Do you think of summer evenings with friends enjoying a City Lights and Stars Concert or a cocktail at The View? Maybe it's introducing your grandchildren to a simpler way of life in the Historic Park during Kris Kringle's Candlelight Christmas? Could it be dancing with your daughter or son at their wedding in Baron Bluff? Or perhaps, it's taking time for yourself to learn a new skill at a Folk Life workshop?

For over sixty years, Burritt on the Mountain has meant so much to so many. We would like to invite you to partner with us to help provide long-term support for Burritt while also receiving financial benefits. In this brochure, you will find descriptions of some of the many types of planned gifts options available for sustaining your legacy. We encourage you to discuss with your financial advisor, estate attorney, and/or accountant what options might work best for you, your family, and your estate.

Like a quilt with diverse pieces sewn together, Burritt on the Mountain as a whole is an amazing design. Every part of Burritt comes with a history, a story and with your gift, a future.

Dr. Burritt shared his home to become a place of quiet reflection, a place to sit and drink in the view from above the city, and freely breathe the fresh air. Now, with the addition of The View, we can extend his hospitality, expand his vision, and enjoy a magnificent space. A space which allows us to see and enjoy the future of Huntsville while reflecting the peace and harmony of the mountain.

RECREATION

With Burritt's festivals, play areas and cuddly critters in the barnyard, families can enjoy safe, affordable, recreation. Hikers appreciate the miles of trails that connect to the Land Trust and Monte Sano State Park. Add to that, beautiful venues for weddings, meetings and concerts. From the manicured lawns for viewing the City Lights and Stars concerts to the breathtaking vista of The View, Burritt has gone beyond just children's fare to offer adults some exciting recreation of their own!

BUT WE ARE NOT DONE.

“ I love Burritt because it has been such a special place and such a safe place for our family. ”

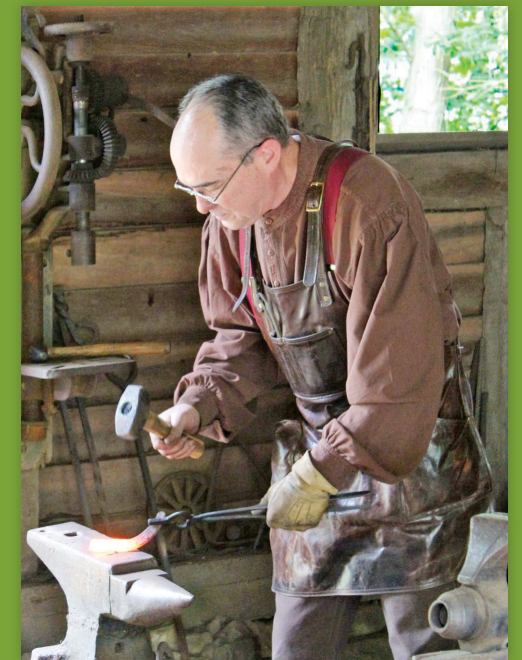

EDUCATION

The focus of all that we do is about, and for, education. From camps to Homeschool classes our instructors create the finest programs in Huntsville! Our children's summer events are always fun, innovative and completely original. Whimsical Woods, Time Travel Adventure and Gold Mountain are some of the summer activities entirely designed by our team. In addition, our docents in the mansion and interpreters in the Historic Park are trained to provide factual information with the ability to put your experience into context with modern life. Your gifts help provide much needed funds for these programs to be enjoyed well into the future.

ART

They say that "Art is in the eye of the beholder," well behold Burritt on the Mountain! In our burgeoning Burritt Folk School traditional folk art is thriving. Our varied classes preserve these skills by passing them along to new would-be artists and we have more wonderful plans for the Burritt Folk School on the horizon! The line-ups for City Lights and Stars reflect a variety of genres and two of the wings in the Burritt Mansion are used for rotating exhibits. The Arts are thriving at Burritt.

PRESERVATION

Preservation means a variety of things here. Whether it is the preservation of a way of life or the preservation of a home that could tell a thousand stories, we honor the past and want to preserve it for future generations. Dr. Burritt's mansion, six historic homes, an Old Country Church, a barn and outbuildings, each one as important to the fabric of Burritt on the Mountain as the next.
